Our Friend

Ms. Siobhán Rocks

Ms. Rocks will retire at the end of the summer. We are sad to see her go but know she has touched the lives of so many children and staff over her 40 dedicated years in our school. She is one of the kindest, fairest and most genuine people we have ever met and were privileged to work with this beautiful lady. To say we will miss her is an understatement. However, Ms. Rocks promises to be a regular visitor next year. Go raibh míle míle maith agat.

Go Raibh Maith Agaibh

On behalf of the staff and Board of Management I wish the children, staff and families a safe and enjoyable summer. Thanks to everyone who helped us in various ways throughout the year. This support is much appreciated and helps grow and develop our school community.

After the excitement of sports day, planting seeds and watching our caterpillars grow into butterflies before releasing them into the open air, we look forward to another hectic month.

The month of June brings a sea life theme into the classrooms. We plan to spend more time outdoors taking advantage of the warm weather and of course preparations will be underway for our graduation ceremony which takes place on

Tues 27th June at 10:30am.

We are extremely proud of the children's progress and accomplishments in preschool. Their teachers have done an excellent job preparing them for the upcoming school year.

Parents are advised to encourage children to continue developing their self-help skills as they prepare for the transition to primary school.

Our annual outing to Planet Kidz takes place on Monday 26th June.

This is a final opportunity for all our pre-schoolers to play together as a group before they go their separate ways.

Finally, We are proud and honoured to have been a part of your child's physical, social, and educational development in 2016/2017.

Best Wishes

Una, Martina, Denise & Maryann
