After the excitement of planting seeds, insect exploration and watching our caterpillars grow, we look forward to another hectic month.

The month of June brings a summer theme into the classrooms. We will be releasing our butterflies and of course preparations will be underway for our graduation ceremony which takes place on Wednesday 26th June at 10:30am.

We are extremely proud of the children's progress and

accomplishments in preschool. Their teachers have done an excellent job preparing them for the upcoming school year.

Parents are advised to encourage children to continue developing their self-help skills as they prepare for the transition to primary school.

Our annual outing to Planet Kidz takes place on Tuesday 25th June. This is a final opportunity for all our pre-schoolers to play together as a group before they go their separate ways.

Finally, We are proud and honoured to have been a part of your child's physical, social, and educational development in 2018/2019.

Best Wishes

Una, Martina, Denise & Caroline
