## Some more activities

Ask your Mum to help

- Make long word jigsaws. Write the words on cards. Cut up into the syllables. Can you put them together again?
- A fun game eg Spot the mistake. Can you catch your mum out by placing some of the bits in the wrong place?
- Find the bit/syllable eg  
" what letters make the sound" yel" "jum" "gar" "ing" "per" "ly"
- A tricky puzzle "What 1 letter sounds like "e" but it is not "e". You will find it in the middle of the word.
- Word sums  
Show the words as simple sums . Ask the child to write the whole word . Use the child's copy.
