

Hi Girls and boys

I am really excited to help you learn tin whistle while you are staying at home.

Each week I will guide you through learning new notes and new songs.

I hope you enjoy it.

In just 5 minutes a day you can become a better tin whistle player!

If you have any problems at all your parents can contact me at deirdre@stlouisinfants.ie

I would really love to hear how you are getting on – I would be THRILLED to receive an email with you playing!!

Good luck and happy whistling.

Enjoy

Mrs. Carville
