

Dear Parents,

As the official end of the school year is here, we would like to take this opportunity to thank you for all your support during the school year, particularly since March 12th. We know the last number of months have been demanding, challenging and at times tedious, as we all embarked on an unprecedented period of time where our routines and daily life were thrown into dismay.

Thank you for continuing to support and help with your child's education at home; we know and greatly value the important and vital role that parents play in their child's education.

We acknowledge that the workload may have seemed daunting at the beginning; we took the approach of providing a large selection of work

and letting you and your child decide what work should be completed.

Please be reassured that when the children return to the classroom, their new teachers will ensure that they revise all the important parts of the curriculum before commencing on new learning. Your child will not miss out academically!

Thank you for making contact with us over the last number of weeks and letting us know how the children were getting on. We really missed them so much and to receive an email and pictures was so wonderful and often brought a tear to our eyes and a smile to our faces.

Finally, we hope you enjoyed the Virtual Graduation! We look forward to seeing the children this week to say goodbye to them in person and to give them a little goodbye present.

Thank you!

SCHOOLS
OUT
FOR THE
SUMMER

To our amazing First Class children,

We don't know where to begin to tell you how proud we are of you all.

When we left our classroom on the 12th of March we thought we

would definitely see you all again in our classrooms before the school

year ended. If only we had known then, that we wouldn't have been

able to return together as a class, we would have hugged you all

goodbye, we would have told you just how much we loved teaching you,

we would have told you that we adore you all and that you are very special to us.

Over the last few months you have shown us just how amazing and incredible you all are. When you were asked to wash your hands 100 times a day, you did it! When you were told that you wouldn't be able to see some of your family and friends, you got on with it even though you missed them lots! When you were asked to do school work at home, you did it! When you weren't allowed to go to the park, the cinema, the shops; you stayed at home and helped fight this virus. You are all simply amazing and we are super proud of each and every one of you. We know that your parents and family are just as proud too.

We hope that you enjoyed your Virtual Graduation. We are very excited to be visiting you all this week to say our goodbye to you in person and to give you all a small graduation gift.

We hope you have a lovely summer and we wish each and every one of you all the very best in your new school! We will miss you all so much!

Thank you for all the wonderful memories you gave us this year!

Love Ms. McCague, Ms. Hughes, Ms. McAnerney, Ms. Boylan
