### Our Monthly Value is 'Worship'

As 'May is the Month of Mary', and our monthly value is Worship, we dedicate a special altar to Mary during May. The children are encouraged to bring in flowers during the month.

### Parents' Association

The Parents Association met via zoom in April. We plan to host a Sponsored Walk between 8th and 10th June while adhering to all COVID-19 protocols.

Cards will be distributed early next week. Please make every effort to support this event. Money raised will be used to purchase an interactive digital display board for a classroom.

### Stay Safe Programme

The children are currently completing this safety programme. Talk to your child about keeping safe.

### Sun cream and Hats

Hopefully.....As the weather improves we remind parents to apply sun cream to the children each morning. Children may wear sun hats at break time.

### Digital Learning

We have placed an order for an Interactive Display Panel and iPads which we hope will arrive before the end of this school year. All our fundraising events in the coming few weeks are geared towards buying another Active Panel and we would really appreciate your help.

### Eyes and Ear Nurse

The HSE school nurse has informed us that she will not be testing the Junior Infants eyes and ears this year as they have been redeployed due to COVID. The children's eyes and ears will be tested next year.
