### First Class Graduation

Rang a hAon buachaillí agus cailíní are getting ready to graduate from our Infant School. They are busy preparing songs, poems and a special dance to celebrate their time with us. Graduation will be videoed this year. We extend our gratitude to families who move into the senior schools. Thank you for entrusting your child in our care and supporting your child's education in so many ways. We wish the children every happiness in their new school.

### Parents' Association

The Parents Association wish to thank the amazing generosity of the whole school community for supporting the Sponsored Walk. We are delighted to have raised enough money to purchase a digital board. The children walked along the Greenway yesterday and received some refreshments when they returned. So far an amazing €5729.61 has been raised.

Thanks to all parents who helped and supported the Parents' Association. We especially thank the committee and parents of children who now move into Second Class. We value your contribution both economically and developmentally. All funds will be spent on a new Digital Display Panel.

### Stay Safe Programme

The children are currently completing the final lessons of this safety programme. Talk to your child about keeping safe.

### School Reports

Your child's end of year school report will be circulated in the Blue Folders on Friday 18th June. The children have worked very hard all year. We are very proud of them.
