October - Deireadh Fómhair

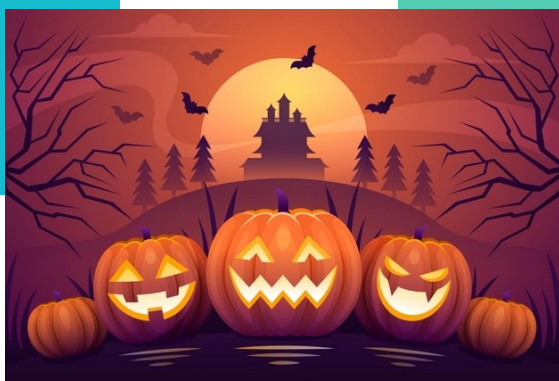

The whole staff are delighted with the children's engagement and motivation with the class work since we returned nearly 7 weeks ago. Well done everyone! We are fortunate to be able to supply the children with so many early interventions for reading, literacy and numeracy each day.

To celebrate the Halloween break the children can dress up on Friday 22nd October. It doesn't have to be scary. Children can wear a costume but please do not send in extra items with the costume.

Wellbeing

To celebrate being back together again we had a lovely wellbeing day on 1st October. The children in their class bubbles enjoyed dancing outside, classroom activities, a movie and some treats. We want to acknowledge their hard work and your support since September. We are grateful to you for your support. Go raibh maith agat!

National Tree Day

This month the eco committee and Mrs Greenan planted a tree to celebrate National Tree Day. We look forward to watching this mighty Oak grow over the years and we will remember planting it in 2021.

Board of Management

We need to elect a mother onto the Board of Management. Parents can nominate themselves or others by giving me a call on 047-82913 or email principal@stlouisinfants.ie. The board term runs until November 2023. We are grateful to Sigita for her contribution to the school. As Sigita's child has moved into the senior school we must now elect a new mother representative onto the BoM. The Board works as a corporate body and make collective decisions about the day to day management of the school.

New Baby Boy

Congratulations to Mrs McCarron, her husband and daughter on the birth of a beautiful baby boy. We extend our good wishes to them all at this very precious time.

Science Week - we look forward to lots of scientific events during the week; 8th - 13th November. The children love science week!
