St. Louis Infant School

13th January 2025

Dear Parents,

We are delighted to welcome you and your child to St. Louis Infant School in September 2025. We can assure you that we will provide your child with the best possible learning foundation in keeping with the long established tradition and expertise of this infant school.

The children will participate in many learning opportunities; we have a strong reputation in playful learning and the Aistear Framework, in-class station and team teaching, an early intervention reading initiative, high quality teaching in literacy in both English and Gaeilge as well as numeracy, STEM, the arts, music generation participation and performing arts at Christmas and throughout the year. Most of all, we encourage our pupils to be kind and gentle to one another and to be aware of protecting the world we live in. Our pupils are happy, and our priority is that they enjoy being at school each day.

On behalf of the staff of St. Louis Infant School, I thank you for entrusting the education and care of your child with us at such an important stage of their life. I have the privilege of being the principal of St. Louis Infant School for over ten years now, and it is an absolute joy to be a part of one of the leading infant schools in Ireland.

Attached to this letter is information on the enrolment process.

We look forward to working with you over the next three years and we extend a big Céad Míle Fáilte to your family.

Kind regards,
Dr Carmel McCarroll
Principal
