First Class Graduation

Rang a hAon buachaillí agus cailíní are preparing to graduate from our Infant School. They are busy preparing songs, tin whistle tunes and special dances to celebrate their time with us. Tickets for the ceremony are available for First Class parents once reply slips are returned to the class teachers.

We extend our gratitude to families who move into St. Louis GNS and St. Mary's BNS. Thank you for entrusting your child into our care and supporting your child's education in so many ways. We wish the children every happiness in their new school.

Parents' Association

The Parents' Association wish to thank the fantastic generosity of the whole school community for supporting the Sponsored Walk. We are delighted to have raised funds to begin developing our outdoor play areas and purchase some resources. Ms Fitzpatrick purchased some sports equipment this week and we are pricing yard re-surfacing and equipment.

Thanks to all parents who helped and supported the Parents' Association. We especially thank the committee and parents of children who now move into Second Class. We value your contribution both economically and developmentally.

School Reports

Your child's *End of Year School Report* will be circulated in the Blue Folders on Thursday, 13th June. The children worked very hard all year. We are very proud of not just their academic achievements but how they make our school a very special place. The First Class standardised test results far exceeded the national norms; thanks to the excellent support from parents and teachers

Sports Day

Sports Day took place today Thursday, 6th June. The children participated in lots of traditional sports day races, parachute games, and obstacle races. The two Michaela's our GAA coaches joined us. We had some ice cream, and danced to music, all surrounded by lake views. We had a fun-packed day in the park.

Free Books 2024-2025

This year the Department of Education will pay for all the children's books. We supply children with books, workbooks, copies, writing materials, folders and supplies. There will be a small payment for stationery, art materials and photocopying. We will let you know more about this in September. Instalments are accepted too.

Aladdin

We are moving the school's parent messaging, website and child enrolment data to Aladdin in September. Aladdin is currently used in St. Louis GNS and St. Mary's BNS. Many of you will be familiar with it. We hope the change over to Aladdin will be smooth. We may send a few test-emails and messages in June (when the school is closed).

Board of Management

The board will meet in the coming week to discuss end of year events, standardised test results and begin planning for the 2024 - 2025 school year. We thank them for their interest in the school and their voluntary work. We are fortunate to have a supportive BoM.
